Multi-Discipline Readers MDR | MDK

Enhanced design of Multi-Discipline Readers

New Version of Back Plate

Product Codes: MDR901-5-0-GB | MDK901-5-0-GB

The wildly successful Multi-discipline Readers from Impro Technologies just got even better. Always in the pursuit of perfection, Impro has incorporated additional features to their range of MDR and MDK reader. The latest feature set will offer improvements in the quality and installation of the hardware.

Additional Features:

- Connects directly to Impro iTRT Door Controllers as well as IXP20 and IXP220 Controllers
- Enhanced backing plate design ensures ease of installation. With a single screw located into a nut cert thus prevents stripping
- New terminal block, ease of installation
- IP54 rated – Dust & Splash proof.
- New location of buzzer, better audio sound
- Revised lens design enhances diffusion of light, eliminating hot spots
