Gratis VMS software & APP

The screenshot displays the NVMS 2.0 software interface. At the top, a dark navigation bar includes the "NVMS 2.0" logo, a "Home" button, and a "+" icon. The main content area is organized into several sections:

- Favorites**: A section with a star icon containing a "Bronbeheer" (Source Management) card with a wrench icon and sub-items: "Appar. toev. aanpass. of wijzigen", "Apparaatinstell.", "Gebiedsinstell.", "Kanaalgroep instell.", and "Taak".
- Basic Application**: A grid of six cards:
 - Live-weerg**: "Live-weerg", "Alarmweerg", "E-map bewaking".
 - Record & Playback**: "Opname afspelen", "Op tijdsdeel", "Op event", "Op tag", "Back-up", "Beeld zoeken", "Opname-instell.", "Zoekn" (Search), "Op gezicht zoeken", "Alarm zoeken", "License Plate Comparison Retrieval", "Snapsh. zoeken".
 - E-map**: "E-map instelling".
 - Tv-wand**: "Tv-wand weerg.", "Taakinstelling", "Tv-wand systeeminstell.", "Group Management", "People and Vehicle Management", "Permission Management".
 - Data Dashboard**: "Intelligent Dashboard".
 - Personentelling**: "Realtime statistieken", "Heat Map", "Oude statistieken", "Flow Control".
- Configuration Management**: A section with three cards:
 - Gebr. accountinstelling**: "User/Role", "Gebruikersbeheer".
 - Lok. configuratie**: "Systeem opstarten en onderhoud", "Server Configuration".
 - Alarmcentrum**: "Alarmlog", "Alarm instell.", "Werking en onderhoudsbeheer", "Log controleren", "Back-up en configuratie herstellen", "Onlinestatus", "Statuslog".

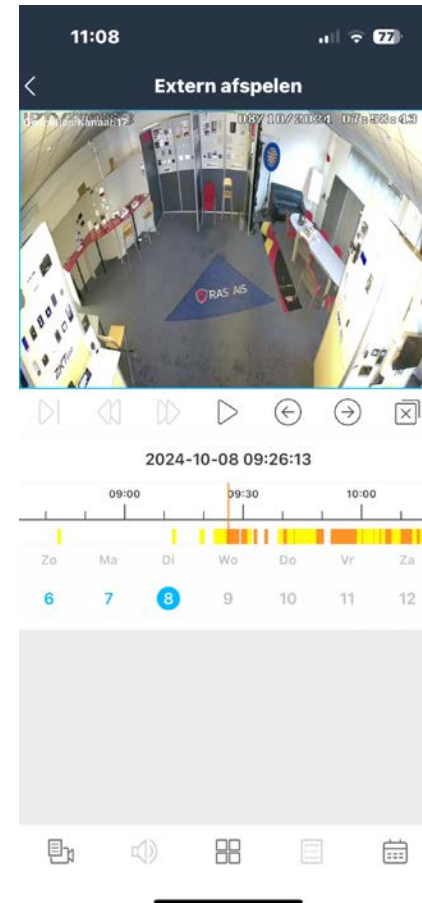

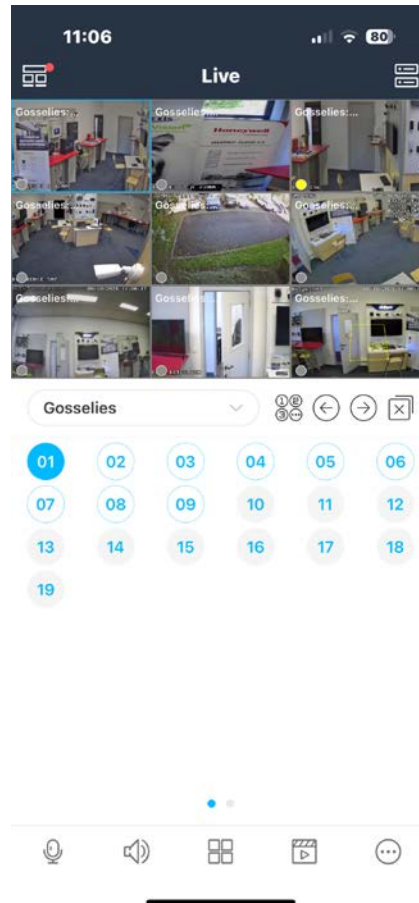

A help icon (?) is visible in the bottom right corner of the interface.

Webpagina en scherm aan recorder zijn gelijk

Webpagina:

The screenshot shows a web browser interface for a PTZ camera. The top navigation bar includes 'Live Display', 'Playback', 'Search and Backup', 'Intelligent Analytics', 'Function Panel', and 'Application'. The main content area is titled 'Function Panel > Perimeter Detection' and shows settings for a camera named 'PTZ'. The 'Line Crossing' tab is active, displaying a live video feed of a bicycle shelter. To the right of the video, there are settings for 'Schedule' (24x7), 'Rule' (20 Secs), 'Line' (1), and 'Direction' (A->B). A 'PTZ' status indicator shows 'Locked' with the message 'The PTZ control is unavailable in locked status!'. Below the video, there are controls for 'Display all area', 'Zoom', 'Focus', 'Iris', and 'Speed'. The interface is clean and professional, with a clear layout for configuration.

Scherm aan recorder:

The screenshot shows the recorder's interface for the same PTZ camera. The top navigation bar includes 'Live Display', 'Camera', 'Record', 'AI / Event', 'Disk', 'Network', 'Account and Authority', and 'System'. The main content area is titled 'AI / Event' and shows settings for a camera named 'PTZ'. The 'Line Crossing' tab is active, displaying a live video feed of a bicycle shelter. To the right of the video, there are settings for 'Schedule' (24x7), 'Rule' (20 Secs), 'Line' (1), and 'Direction' (A->B). A 'PTZ' status indicator shows 'Locked' with the message 'The PTZ control is unavailable in locked status!'. Below the video, there are controls for 'Display all area', 'Zoom', 'Focus', 'Iris', and 'Speed'. The interface is clean and professional, with a clear layout for configuration.

TVT, enkele troeven

- ✓ NVR's met **volledige resolutie** en **framesnelheid** per kanaal,
